

Newsletter Summer 2021 No 50

Greetings to all our members!

There is good news at last. Coffee Mornings start again on AUGUST 24th in the Central Hall (pop in) 10am to 12 noon. We look forward to seeing you there.

Dates for the rest of the year as follows.

September 21st

October 19th

November 23rd (Christmas)

Please note the difference in dates as we are no longer able to hold them as before on the last Tuesday

The Quality of Life Group has been meeting in the Park when the weather permitted.

You may be aware that Hastings is now an Age Friendly Town with Councillor Ruby Cox as Older Persons Champion.

Debby Anderson is now Age Friendly Communities Worker

What this will mean in practice is not yet certain. One idea is to copy Nottingham where businesses have been persuaded to provide chairs in their premises which do not require people to be customers.

If you have access to the internet there is a survey for older people although like most of these things somewhat simplistic.

The purchase of the Isobel Blackman Centre is due to be completed at the end of August after which there will be renovations to be done.

The Main Committee meeting will be on Wednesday 1st September at Jackson Hall 2pm
